Topics in Trauma

Pre-registration is highly recommended. Please register at:

<https://www.surveymonkey.com/r/rmctrauma2018>. For additional questions, please call Research Medical Center Trauma Services Department at (816) 276-4838 or email traumaservices@hcamidwest.com.

Course Description:

The purpose of this program is to expand the participant's knowledge of select topics unique to the care of trauma patients and to improve clinical outcomes by applying current evidence based practice to the delivery of care to trauma patients.

Learning Outcomes:

Following the symposium, the participant will be able to:

- Identify compassion-fatigue and burn-out syndrome and understand their roles of palliative care in trauma patients.
- Discuss resuscitation management of the pediatric patient with traumatic injuries.
- Identify interventions that are associated with a reduction in alcohol intake and reduce risk of trauma recidivism.
- Discuss different techniques on disaster management and how to prepare for patient evacuation.

Accreditation Statement

Nursing Contact Hours

- Centerpoint Medical Center is an approved provider of continuing nursing education by the Missouri Nurses' Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
- The participant will receive **4.0** contact hours. Approval to present this program does not imply ANCC Commission on Accreditation, Midwest MSD, or RMC approval or endorsement of any commercial products. Registrants are required to attend the entire program to receive credit.
- HCA Midwest Health is a State of Kansas Board of Emergency Medical Services long term program provider for EMS Continuing Education, CIN#9166. This program has been approved for 4 hours of EMS Continuing Education.
