

Midwest Trauma Society

Membership Application/Dues Statement

The **Midwest Trauma Society** (MTS) was formed with the goal of promoting high standards of care for trauma victims, to create public and professional awareness of trauma, to sponsor and carry our educational programs for trauma professionals and others to exchange information and ideas, and to support efforts of public education and prevention strategies of trauma as health care issues.

As a member of the MTS, there are certain privileges, whether the member is an individual or an institution. All members have reduced fees for the annual **Midwest Trauma Conference** held every year in May. Institutions that participate as members are involved in the various activities sponsored by the organization which contribute to the "institutions" involvement in trauma care and prevention in the community.

Indicate Membership Category:

\$30.00 Individual Membership (voting privileges, discounts at all MTS events)

\$499.00 Institutional Membership (**two** designated voting members, employee discounts at all MTS events, preferred display space at annual conference, member webpage recognition and link, website postings of educational offerings). **For institutional membership, please list the two designated voting members with contact information.**
