All Physicians - \$100

Advanced Practice Professionals - \$75

Nurses - \$50

EMS, RT, Students and others - \$25

## COURSE LEARNING OBJECTIVES

At the conclusion of this event, the learner will be better able to:

1. Discuss the advancements in rural trauma care and the "Stop the Bleed" initiative, understanding your role.
2. Recognize the need of fluid volume versus blood products.
3. Describe the resuscitation for the pediatric patient with a penetrating traumatic injury.
4. Think outside of the box.
5. Recognize the management of cardiovascular injuries, blunt, and/or penetrating.
6. Assess a pediatric trauma victim for signs of circulatory compromise and the monitoring of adequate resuscitation.
7. Discuss the treatment of pediatric orthopedic trauma injuries.
8. Explain the management of non-accidental pediatric trauma injuries while discussing updates on literature.

## TARGET AUDIENCE

This course is intended for trauma surgeons, emergency medicine physicians, anesthesia physicians, neurosurgery physicians, orthopaedic surgeons, emergency services personnel, and nursing staff caring for the trauma patient.

## CREDIT

Mercy Hospital Joplin is accredited by the MSMA to provide continuing medical education for physicians.

Mercy designates this live educational activity for a maximum of 8 hours AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in this activity.

Mercy Health Central is an approved provider of continuing nursing education by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

## 8 Contact Hours

Provider Approval Number M0220-11

This event has been approved for trauma credit by Mercy Hospital's Trauma Department. Participants will receive a total of 4.0 adult and 4.0 pediatric trauma credit hours.
